GO DAWGS!

MORE THAN

A Remodeled Infirmary

In the Spring of 1986, the Buildings and Grounds Committee of the TWC Board of Governors toured the college-owned home that students visit the most, the infirmary. Subsequently, interior repairs were planned for this classic old building to improve its appearance, usability and comfort. Aging plaster was removed from walls and ceilings, and holes were repaired using a wire-lacing technique similar to auto bonding. The renovations also included new bathroom fixtures, refinished floors and new cabinetry.

One beautiful example of the newly refurbished infirmary is the patient examination room. Before remodeling, this room was drab and in poor repair. The room now represents both grace and lavish space, typical of houses of this era.

JUST A NURSE

Connie Akers

As an expression of our sincere appreciation, The Nocatula staff would like to dedicate the 1988 Nocatula to Mrs. Carolyn Coneida Clary Akers; or as most of us know her, Connie, the nurse.

Connie was born in Galax, Virginia, and grew up in nearby Hillsville. Her childhood dream was to become a nurse, and this dream became a reality when Connie completed a B.S. in nursing from the Medical College of Virginia.

After reaching this milestone, Connie accepted her first job as a nurse on the surgical floor of Schumpert Hospital in Shreveport while her husband Steve was stationed in Louisiana with the Air Force. She joined the staff of Tennessee Wesleyan more than 13 years ago.

Connie's responsibilities as a college nurse range from giving students health information to transporting students to the hospital. Her house is also the school infirmary, and she often has students who are not feeling well as "guests." She is always there, day or night, to give assurance and help.

Students with health concerns are not the only people who benefit from Connie's abilities and enthusiasm. She is faculty advisor to Sigma Kappa and president of the Women of Wesleyan. She also serves the community as service manager for the McMinn County Girl Scouts, an assistant Den Leader, and an assistant Cub Master at Ingleside School. In spite of these demands upon her, Connie always finds time to spend with her family: husband Steve and sons Nicholas (8), Nathan (5), and Zachary (1).

The Nocatula staff wants to say, "Thank you, Connie. You put up with us when we nag about our ailments, you listen to us, and you watch out for us. We wish you the world's best. May God Bless You."

TL: The miracle of medicine. ML: Connie, Nicholas, Zachary, Nathan.
LL: Steven and Connie Akers. LR: A dear friend to us all, Connie Akers

ENTERTAINMENT TONIGHT

W.C.F.

On October 2, 1987, W.C.F. held the second annual "Entertainment Tonight." The turnout was good and the performers did an excellent job. Some of the participants in this year's show were Roger Higgins, Anita Head, Mike Hood, Melanie Summit and Angela Lane. No one will be able to forget the closing act of Debbie Davis, Gary Butler, Carol Guthrie and Don Windham.

BROADWAY SMASH HIT BROUGHT TO TWC STAGE

"Vainities" was produced on the TWC stage on the nights of March 11-12. The cast consisted of Kym Travis, Peytyn Kiblinger, and Debbie Wright.

About the cast, Peytyn Kiblinger — Vice-President of Masqued Players, is a junior, who during last season served the Masqued Players as House Manager in the major production of "Inherit the Wind."

Kym Travis — President of the Masqued Players, is a returning Sophomore who played Kate Keller in last year's performance of "The Miracle Worker."

Debbie Wright — served as Secretary-Treasurer of Masqued Players. This was Debbie's first appearance on stage.

LIBRARY DEDICATION

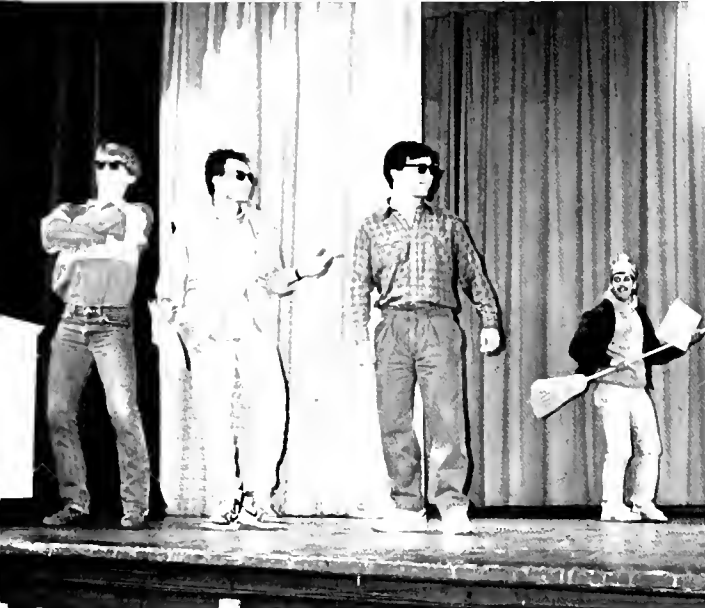

The Merner-Pfeiffer Library of Tennessee Wesleyan College was rededicated on September 17, 1987, after an extensive renovation. At this ceremony, the reference room was designated the Harms Reference Room in honor of Louise I. Harms and the north reading room was named the Myets Reading Room in honor of Mrs. Claryse Myets. Both of these women were former directors of the facility who had provided excellent leadership and foresight in the development of the college library.

Students, faculty and staff are praised for their cooperation and patience throughout the renovation. We especially thank our student assistants and library staff who made a seemingly impossible task "almost" a pleasure at times.

Halloween Plays:
 "The Six Sillies"
 "Hansel and Gretel"

The "Six Sillies" cast included Lisa Wendt, Cliff Barbic, Christy Dyer, Todd Sheridan, Amy Ingram, and Bryan Elliott.
 Ernie Womack, Teresa Ficklen, Lyn Pollard, Kayo Yoshida, Pam Fielder, and Doyle Tallent comprised the cast of "Hansel and Gretel."

ALL ONCE AGAIN

Lit Fest 1987 proved to be an exciting display of great literary masterpieces, done only as could be on the Wesleyan stage. The event, a convocation, showed the lighter comic view of the English classes.

HOMECOMING WEEK

The week of October 5-10 was Homecoming week at T.W.C. Students participated in such events as a wheelbarrow race, an ice cream eating contest, dressing for dinner, and a lip sync contest in order to raise spirits for the football game on Saturday. The participating campus organizations were Alpha Xi Sorority, Baseball team, Men's Basketball team, Women's Basketball team, Football team, Sigma Kappa Sorority, Men's Soccer team, Woman's Soccer team, and WCF. An awards ceremony was held at half-time during the football game and the Women's Basketball team walked away with first place in overall competition.

Once again the spirits were lifted at the homecoming dance that followed the game. Once again the week was a great success.

WELLNESS DAY

Wellness Day was held on February 11th in the gym. It was sponsored by the Physical Education Majors and Minors. The Wellness Day activities promoted the concept of an individual controlling his/her own well-being through a healthful lifestyle. This is a concept that many P.E. teachers are encouraging students to consider.

Some of the tests conducted during Wellness Day were pulse, muscle strength, and height and weight. A chiropractor was present to check posture. "Challenge" tests were administered to indicate what kinds of lifetime activities people might enjoy. Follow-up checks for people with blood pressure problems are planned.

CHOIR TOUR 1988

Choir Tour '88 was a time of fun, food, sleep and SINGING. From March 20th through the 24th, the Concert Choir and Consolidation toured through Knoxville, Chattanooga, Marietta, and Savannah singing at churches, high schools, and a boy's home on the way. Living on a bus and in other peoples homes was not always fun, but we all survived, although not always as happy campers! The Concert Choir's program contained both a sacred and a secular section. The Consolidation's program contained both popular and jazz songs with a few interesting dance steps. The long awaited entrance to Savannah was finally made and all were excited about their free day for fun and sun. Everyone toured Savannah, using everything from horse and buggy to a rented station wagon carrying fifteen passengers. Everyone enjoyed fresh crustaceans and their day off in the beautiful city of Savannah. We then returned to Athens, nor quite refreshed, but happy we survived another choir tour. Thumbs up for Choir Tour 1988!!

THUMBS UP!!!

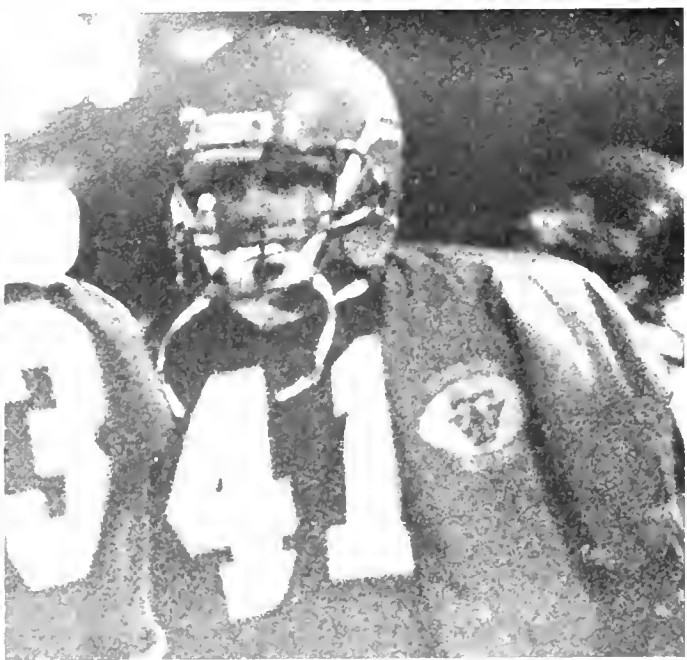

MR. TWC JOHN WEAVER

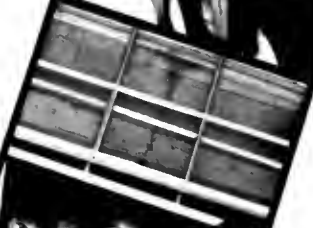

Alpha Xi Sorority sponsored their annual Mr. TWC contest again this year. Rochelle (Roger) Higgins gave up his crown to Mr. TWC 1988, Wynona Weaver Maloney (John Weaver). Congratulations Wynona!

EDUCATING RITA

Starring in the spring production of the "Educating Rita" were Kym Travis as Rita and Don Windham as Frank. This was the first time this play has been performed in this area. The first production of "Educating Rita" was at the Warehouse, London, by the Royal Shakespeare Company.

SPRING SEMI-FORMAL . . .

The 1988 Semi-formal, sponsored by the SGA, was held at the Marvel in Sweetwater. Those who attended danced the night away to the music of WOKI. It was a fun and exciting evening off of the campus for all TWC students.

HOME
OF THE

IMPROVEMENT SHOWS

The football team showed improvement this year finishing with a 1-8 record. Despite their record, the Bulldogs played well every game, playing their hardest against the toughest teams. They finished their season with a win against Maryville College. At the end of the '86 season the coaching staff was completely changed and Dave Bankston was hired as head coach. Choosing his staff carefully he ended up with 6 very motivated men to aid him in coaching the TWC Bulldog team.

With the change in staff and the spirited players, outlook for the future is good. If the team can keep the momentum there may even be a championship in the near future.

The Lady Bulldogs finished the year with a 3-8-2 record. Coach Geeter said that he was proud of their efforts and felt the team was much better than their record indicated. Six of the thirteen teams they played were nationally ranked and five of the eight games lost were by a margin of only one goal. Team captains were Vicki English and Kimberly Vaughn. Sonya Everroad and Vicki English were the leading scorers with Everroad leading in assists.

Bulldog Soccer

The 1987 Bulldog soccer team suffered through a disappointing 4-10 record with their new coach, Jeff Geeter. The Bulldogs knew it would be a hard year because of the change in coaching personnel. "I think the guys on the team should be commended for all their work and effort," Geeter stated. The 1987 captains were Gregg Dobbs, Kevin O'Shields, and Tony Weaver. The leading scorer was Kevin O'Shields with 13 goals on the year. Other top scorers were William Malone and Stroud Lycans. The Bulldogs are looking forward to the 1988 season with their goal to make it to the play-offs.

Jackie Barnhart

Susan Laws

The Lady Bulldogs posted an impressive season with an overall record of 21-8; 14-4 in District 24 competition.

The team was sparked by the outstanding play of senior tri-captain Karen Campbell, who led in rebounding and points-per-game totals. Seniors, and tri-captains Susan Laws and Jackie Barnhart also contributed to a successful season by providing 157 and 110 assists, respectively. Junior Sharmin Roberts contributed an average of 10.8 points per game. The other starting position was filled throughout the season by either Loxy Bultsma, Janine Helle, or Becky Bass. Each performed well, and Bass ended the year with the team's second highest rebound average. The reserve players — Amber Albright, Renee Howard and Candy Kirkland — also played major roles in the team's success.

The 1988 TWC Lady Bulldog softball team suffered through another tough season with first year coach Vic Arwood. Although the season was somewhat of a disappointment, there were some bright moments. They were credited with seven wins, a boost from their one-win season of 1987. Mandy Gutridge survived the long season, pitching all but four games, and winning the most valuable player award for the second year. With no graduating seniors, the Lady Bulldogs are looking forward to a promising 1989 season.

GLENN

GRACE

The Baptist Student Union dedicated their activities this year to the memory of Dr. Doris Sharpe Burrus and in honor of Jim Wright. Our theme — “Carry the Torch” — was selected to exemplify the struggles and accomplishments of these two courageous members of our campus community.

The BSU presented a plaque in honor of Dr. Burrus and Jim on May 19 (Faculty/Staff Appreciation Day). Ross Burrus (Doris’ husband) and Jim presented this award to Glenn and Grace Lowe.

ADVISOR'S/EDITOR'S NOTE

The production of the 1987-88 Nocatula has been both a challenge and a pleasure. The hours of diligent work provided by a capable staff is greatly appreciated. Special appreciation is extended to Louise Trotter for her editorial assistance and expert typing, and to Vickie Blair for her contribution of many beautiful photographs.

We hope that you will enjoy this yearbook and the memories it contains for many years to come.
